## XXI Simposio Nacional de Química Orgánica

Sociedad Argentina de Investigación en Química Orgánica

Potrero de los Funes – San Luis

8 al 11 de Noviembre de 2017

Dear colleagues:

We are pleased to get in contact with you again to provide you with more information about the XXI NATIONAL SYMPOSIUM ON ORGANIC CHEMISTRY, organized by the Argentine Research Society on Organic Chemistry SAIQO (<http://www.saiqo.org.ar>), which will be held in Potrero de los Funes, San Luis, Argentina from **8 to 11 de November 2017**.

### Registration

On-line registration to the XXI SINAQO will be available through the web site of the Symposium (<http://www.sinaqo2017.uns.edu.ar/>), on Monday **12 June**. Participants should apply for their registration by sending an e-mail to **xxisinaqo.registro@uns.edu.ar** with their personal information (ID/passport, name and surname). The subject of the e-mail should read **Solicitud Registro**. This process can take 24 to 48 h. Once registration is completed, you will receive an e-mail with the username and password to enable you to log in to the website and complete the corresponding **Enrollment form (Formularios->Inscripción)**. To complete enrollment, payment of a fee is required through a bank deposit or a bank transfer to the following bank account:

From Argentina:

**Banco de la Provincia de Buenos Aires**

**Sucursal 6207 - Barrio Universitario**

**Cuenta Corriente en Pesos: Nº 1368/0**

**CBU: 01404603 – 01620700136804**

**CUIT: 30-66417781-8**

**Denominación: Fundación de la Universidad Nacional del Sur**

From a foreign country :

**Banco de la Nación Argentina**

**Sucursal España**

**Núñez de Balboa 73 - 28001 Madrid**

**Cuenta Corriente EUROS: Nº 0169-0001-90-0454500954**

**I.B.A.N. ES0201690001900454500954**

**B.I.C NACNESMM**

Once payment is completed, the corresponding **Payment Confirmation Form** must be filled in on the website of the Symposium and the receipt of payment must be attached. Remember to indicate the information required for the invoicing, especially the names of the enrolled applicants and the amount of money paid to be credited to the account of each of them.

## XXI Simposio Nacional de Química Orgánica

Sociedad Argentina de Investigación en Química Orgánica

Potrero de los Funes – San Luis

8 al 11 de Noviembre de 2017

Please note that a maximum of **two abstract submissions per each registration** is allowed and at least one of the authors of the submitted works must be enrolled in the event, whether participant is a member of SAIQO or not.

Early enrollment fee is:

Members of SAIQO	\$ 2950 <sup>a</sup>	<i>It Includes material related to the Symposium, participation in the meetings, coffee breaks, welcome cocktail, closing dinner and social activities.</i>
Not members	\$ 3950 <sup>a</sup>	<i>It includes material related to the Symposium, participation in the meetings, coffee breaks, welcome cocktail, closing dinner and social activities.</i>
PhD students members of SAIQO, allowed to apply for SAIQO grant	\$ 1650 <sup>a</sup>	<i>It Includes material related to the Symposium, participation in the meetings, coffee breaks, welcome cocktail, closing dinner. As a condition of enrollment PhD student members must credit their condition of PhD students with a certification issued by their university. Those whose SAIQO membership is one year old since November 30 2017, will be able to apply for a SAIQO grant by filling the corresponding <b>Grant Application Form</b> at the Symposium website. The SAIQO will evaluate the applications and determine the type of assistance it will provide to the beneficiaries.</i>
PhD students members of SAIQO	\$ 2350 <sup>a</sup>	
Graduate students	\$ 1000 <sup>a</sup>	<i>It includes material related to the Symposium, participation in the meetings, coffee breaks. Students are not allowed to submit abstract. As a condition of enrollment, they must certify their condition of graduate students with a certificate issued by their university.</i>
Accompanying person	\$ 2000 <sup>a</sup>	<i>It includes welcome cocktail, closing dinner and social activities.</i>

<sup>a</sup> Values expressed in argentine currency.

Deadline for early bird enrollment payment is **16 July 2017** for PhD students who are allowed to apply for a SAIQO grant. For the remaining participants, deadline is **1 August 2017**. From that date on, all costs will increase 25%. The Organizing Committee cannot ensure publication of abstracts in the Book of Abstracts to those enrolled after 20 September 2017.

**NOTE: registration is free for Invited and Plenary Lecturers, but they have to register as participants in the on-line registration platform and submit an abstract of the lecture.**

## XXI Simposio Nacional de Química Orgánica

Sociedad Argentina de Investigación en Química Orgánica

Potrero de los Funes – San Luis

8 al 11 de Noviembre de 2017

### Abstract submission

Abstracts for XXI SINAQO must be submitted on-line with an additional graphical synopsis. The instructions for authors and the corresponding templates will be available on **Instrucciones y Descarga** at the Symposium website. Upload of abstracts must be done through the **Formulario Carga de Resúmenes** that will be available on **12 June 2017**. Deadline for abstract and synopsis submission is **16 July 2017**.

### Posters

The size of the posters should not exceed **100 cm high by 90 cm wide**. Authors can upload an electronic version of the poster in pdf, jpg o png format through **Formulario Carga de Póster** (which is optional) that will be available at the Symposium website.

### Oral Presentations

A limited number of PhD students and young researchers are expected to present their oral presentations at the XXI SINAQO. Oral presentations are limited to a 10-minute presentation including the period for discussion and will be selected after the author request. Please note that authors giving oral presentations will also be required to present their work in the form of a poster. Participants interested in delivering an oral presentation of their abstract must select as a **Tipo de Presentación**: "Póster y Presentación Oral".

### SAIQO award

The Society will give the **SAIQO award** to the best work presented at the XXI SINAQO in each of the following areas: Organic Synthesis, Physical Organic Chemistry, Chemistry of Natural Products and Bio-organic Chemistry. The award will be handed during the course of the Symposium. Applicants must present an extended version of their abstracts. Instructions for the author and the model of the corresponding template, will be available at **Instrucciones y Descargas** at the Symposium website. Upload must be done through **Formulario Carga de Resumen Extendido** that will be available on **12 June 2017**. Submission deadline is on **16 July 2017**.

Please note that only those abstracts submitted by PhD student members can apply for the SAIQO award.

### Venue

Hotel Internacional Potrero de los Funes (<http://www.hotelpotrero.sanluis.gov.ar>) has been chosen as the venue for the XXI SINAQO. All Symposium activities will be held at the facilities of the hotel.

## XXI Simposio Nacional de Química Orgánica

Sociedad Argentina de Investigación en Química Orgánica

Potrero de los Funes – San Luis

8 al 11 de Noviembre de 2017

Welcome cocktail and closing dinner will take place at the hotel. The Symposium website provides alternatives for hotel accommodation at Potrero de los Funes (cabins, lodges and hotels) and in San Luis city (hotels).

### The hotel

Reservations must be made directly by email at [reservas@hotelpotrero.sanluis.gov.ar](mailto:reservas@hotelpotrero.sanluis.gov.ar) or by phone at +54 (0266) 4440038/ 4495115 / 4495043 up to **30 September 2017**. Attendees should mention the name of the event.

Rates agreed with the hotel are as follows

Room category	Rate per person per night <sup>a</sup>
Double standard	\$ 945
Triple	\$ 810
Cuádruple	\$ 777
Potrero Suite	\$ 1539
Premium Suite	\$ 1823
Flotante Suite	\$ 1967

<sup>a</sup> Room rates with tax included, expressed in argentine currency

**All room rates include:** Continental breakfast, gym, acclimatized swimming-pool, tennis courts, football 5, putting green, swimming-pool for adults and children, playroom, pier with access to the lake, 24h-security service, Wi-Fi.

**Additional services:** floating tea room, bar, restaurant, room-service, transfers, Spa & relax, hair salon, tours, water activities, horseback riding, mountain bike excursions, taxis, car rental, babysitting service.

### Lunch at the hotel

Two different kinds of lunch will be offered at the Symposium: quick (packed) lunch and executive menu. Participants who want to book the **Lunch** are asked to do it at the Symposium website, **from 1 to 30 September 2017**. Please note that after 30 September the hotel cannot ensure attention to those requiring these kinds of lunch.

**Quick lunch:** Sandwich (round steak, ham, cheese, lettuce and tomato or chicken with avocado, tomato and cheese) + dessert (brownie or apple crumble) + fruit water, soda water, water.

**Executive menu:** Main: vegetable lasagna with mixed sauce, beef with rustic mashed potatoes, grilled chicken with welsh onion sauce and vegetable saute + Dessert: ice-creams, creme caramel with dulce de leche, fruit salad + fruit water, soda water, water.

**NOTE:** we recommend to book the Lunch to be able to complete the Symposium activities. Alternatives outside the hotel demand more time and transportation.

**Welcome cocktail Menu and Closing Dinner at the Venue**

**During the Symposium the following conference will take place:**

- "Recent advances on Vascular Disrupting Agents. Why makes it complicate when it can be simple"  
**Dr. Mouad Alami**, Research Director CNRS. Faculty of Pharmacy, BioCIS, Châtenay-Malabry, France.

- "Biomimetic Catalysis in Green Organic Transformations"

**Dr. Jan Bäckvall**, Department of Organic Chemistry, Arrhenius Laboratory, Stockholm University, Sweden.

- "Structural modifications of camptothecin for safety delivery: prodrugs and nanomedicines"

**Dr. Pablo Botella Asunción**, Instituto de Tecnología Química, Consejo Superior de Investigaciones Científicas, Valencia, España.

## XXI Simposio Nacional de Química Orgánica

Sociedad Argentina de Investigación en Química Orgánica

Potrero de los Funes – San Luis

8 al 11 de Noviembre de 2017

- *"Catalytic Amination of C(sp<sup>3</sup>)-H Bonds in Route to Molecular Diversity and Complexity "*

**Dr. Philippe Dauban**, Institute of Chemistry of Natural Substances, Paris, France.

- *"Gel networks as confined nanoreactors"*

**Dr. David Díaz Díaz**, Institut für Organische Chemie, Universität Regensburg, Germany.

- *"Automated Computer-Assisted 3D Structure Elucidation (CASE-3D) of Natural and Synthetic Organic Molecules Using a Combination of Isotropic and Anisotropic NMR Parameters"*

**Dr. Roberto Gil**, Department of Chemistry, Carnegie Mellon University, Pittsburgh, United States of America.

- *"Some Recent Applications of New Organic Reaction Methodology in Complex Bioactive Natural Product Total Synthesis"*

**Dr. Karl Hale**, School of Chemistry and Chemical Engineering, Queen's University Belfast, United Kingdom.

- *"Advancing nature's precision by encoding information in addition polymers: Synthesis and Application"*

**Dra. Tanja Junkers**, Institute for Materials Research, Hasselt University, Belgium.

- *"Visible Light Photocatalysis: Making and breaking of chemical bonds with light"*

**Dr. Burkhard König**, Institut für Organische Chemie, Universität Regensburg, Germany.

- *"Metals at the center: catalysis and chemical biology"*

**Dr. José Luis Mascareñas**, Departamento de Química Orgánica, Universidad de Santiago de Compostela, España.

- *"Explorando estrategias innovadoras en síntesis orgánica dirigidas a la diversificación molecular: aplicación a la generación de estructuras biológicamente prometedoras"*

**Dr. Ernesto Mata**, IQUIR (CONICET-UNR), Facultad de Ciencias Bioquímicas y Farmacéuticas, Universidad Nacional de Rosario, Argentina.

- *"Los alcances de la química de Productos Naturales"*

**Dra. Viviana Nicotra**, IMBIV (CONICET-UNC), Facultad de Ciencias Químicas, Universidad Nacional de Córdoba, Argentina.

- *"Catechol-based adhesives and coatings: a biomimetic synthetic approach"*

**Dr. Daniel Ruiz-Molina**, Institut Català de Nanociència i Nanotecnologia – ICN2, Barcelona, España.

## XXI Simposio Nacional de Química Orgánica

Sociedad Argentina de Investigación en Química Orgánica

Potrero de los Funes – San Luis

8 al 11 de Noviembre de 2017

- "Peptide-Drug Conjugates for Directed Tumour Therapy"

**Dr. Norbert Sewald**, Organische und Bioorganische Chemie, Fakultät für Chemie, Universität Bielefeld, Germany.

- "Materiales Mesoestructurados Híbridos: usando herramientas moleculares y supramoleculares para crear nuevas arquitecturas en nanoescala"

**Dr. Galo Soler Illia**, Instituto de Nanosistemas, Universidad Nacional de Gral. San Martín, Buenos Aires, Argentina.

- "Síntesis de glicomiméticos azufrados o nitrogenados. Su uso como inhibidores de glicosidasas"

**Dr. Oscar Varela**, CIHIDECAR (CONICET-UBA), Facultad de Ciencias Exactas y Naturales, Universidad de Buenos Aires, Argentina.

- "Recent Advances in the Synthesis of Complex Natural Products"

**Dr. John L. Wood**, Department of Chemistry and Biochemistry, Baylor University, Waco, United States of America.

### Important dates

**Early bird registration:** 12 June to 16 July (PhD Students who are allowed to apply for a grant)

12 June to 1 August (for the rest of the participants)

**Abstract submission:** 12 June to 16 July

**Extended abstract submission for SAIQO award:** 12 June to 16 July

**Reservation at the hotel:** 12 June to 30 September

**Reservation of Lunch:** 1 September to 30 September
